

Medi-Cal Website

The Medi-Cal Extranet for State Healthcare (MESH) Manual, a secured holding area formerly used by the Department of Health Services and the Health Care Service Plans to exchange information such as Monthly/Daily eligibility, Healthy Families and Encounter Data, no longer exists. All former MESH services are now available on the Medi-Cal website as of June 1, 2002. This was accomplished to make access easier, less expensive, and less time consuming for the Healthcare Service Plans.

The Website is <http://www.medi-cal.ca.gov> and the former MESH services are located under "site help." Health Care Service Plans must call the Point of Service (POS) help desk at 1 800-427-1295 to gain access to the information.
